810-5-9-.05 Credentials in Lieu of IFTA Decals.

- (1) Definitions. The following terms have the meanings ascribed to them for the purposes of this rule or regulation.
- (a) Temporary permit. A permit issued by the base jurisdiction or its agent to be carried in a qualified motor vehicle in lieu of displaying the annual decals. A temporary permit is valid for a period of 30 days to give the carrier adequate time to affix the annual decals. The temporary permit is vehicle specific, and allows carriers to travel in all IFTA jurisdictions.
- (b) <u>Trip permit</u>. A permit (Form NRLTD:IMC-7DP) issued by IFTA jurisdictions, or their agents to be carried in a qualified motor vehicle in lieu of displaying of the annual decals. An Alabama trip permit is valid for a period of seven (7) days, and is vehicle specific. A carrier must purchase a trip permit for each jurisdiction in which the qualified motor vehicle will travel.
- (2) (1) In lieu of qualified motor vehicles displaying the annual decals, carriers may have in their possession a valid temporary permit or a valid trip permit as authorized by the International Fuel Tax Agreement.
- (3) (2) In order for a carrier to obtain a temporary permit, an *Application for License* (Form MV: IFTA-1) or a *Request for Additional IFTA Decals* (Form MV:IFTA-5), must be submitted to the Alabama Department of Revenue, **Motor Vehicle Division, IFTA Section** with the decal fee. If the submitted forms are complete, the account is current (i.e., no delinquent reports or outstanding liabilities), the remittance **attached** is received, and the vehicle information is provided, a temporary permit will be issued to the carrier.
- (4) (3) The applicant must submit the following vehicle information in order to receive a temporary permit:
 - (a) Vehicle Identification Number (VIN);
 - (b) Make of Vehicle;
 - (c) Year of Vehicle
- (5) (4) The carrier shall carry a legible copy of the IFTA license, issued to the carrier, in the qualified motor vehicle in addition to the temporary permit. These credentials will render the vehicle in compliance with the Agreement during the 30-day period until the carrier receives and affixes the annual decals.
 - (6) (5) The temporary permit will contain the following information:

responsibility of recordkeeping and reporting requirements under the IFTA. Carriers purchasing trip permits satisfy the motor fuels use tax obligations on a trip-by-trip basis. There is not a separate fee for the purchase of temporary permits because the permit serves as a temporary decal until the annual decals can be affixed to the qualified motor vehicle(s).
